

Institute for Information Management and Communication, Kyoto University
Table of Contents for the 2016 Information Environment Manual for Students

1. Introduction to the Information Environment of Kyoto University	2
1.1. Notations	2
1.2. Information Related Services Provided by Kyoto University	3
1.3. Information Related Services Websites	3
2. Acquiring and Using University Authentication IDs (ECS-IDs)	4
2.1. About ECS-IDs	4
2.2. Procedure for Acquiring an ECS-ID	4
2.3. Activating ECS-ID	4
2.4. IT Services using ECS-ID	5
2.5. Managing your ECS-ID	5
2.6. Remark to use ECS-ID	5
3. Safe and Appropriate Use of the Information Systems	6
3.1. Kyoto University's Network and Security	6
3.2. Appropriate Management of ECS-IDs and Passwords	7
3.3. Changing Your Password	7
3.4. Points to Keep in Mind When Using the Network	8
3.5. Information Security e-Learning	9
4. Computer Terminal Services	10
4.1. Computer Terminal Services	10
4.2. Starting Up Computer Terminals	11
4.3. Shutting Down Computer Terminals	12
4.4. What Can We Do Using Windows 7?	13
4.5. What Can We Do Using Linux?	18
4.6. Using USB Devices	22
4.7. Requests to Users	23
5. The Computer-Assisted Language Learning (CALL) System	24
5.1. Using Computer-Assisted Language Learning (CALL) System	24
5.2. Using CALL Autonomous Learning Terminals	26
5.3. Materials Available through CALL Autonomous Learning Terminals	26
6. Connecting Computers to the University Network	27
6.1. Using University Wireless LANs	27
6.2. Using network from outside of the University	27
7. Logging In Using the Common Portal for All Students	28
7.1. About the Common Portal for All Students	28
8. The Kyoto University Mail for Students and Researchers	29
8.1. About the Kyoto University Mail for Students and Reseachers	29
8.2. Sign in and Sign out	30
8.3. Reading E-mails	31
8.4. Writing a new E-mail	31
8.5. Forwarding E-mails automatically	32
8.6. Adding Contacts	33
8.7. Changing your language setting	34
8.8. When using other E-mail software	35
9. Kyoto University Cyber Learning Space "PandA"	36
9.1. About PandA	36
9.2. Recommended Environment	36
9.3. Logging In	37
9.4. Getting started	38
9.5. Resources	42
9.6. Assignments	43
Appendix	45
