How to Attend "New Student Orientation(2021)"

March 10, 2021

To prevent the COVID-19, we will not provide face-to-face orientation for new students in 2021, but will deliver it via video distribution using the Kyoto University learning support system "PandA". PandA will be used in each lesson after the orieatation. Please be sure to learn how to access PandA when you take it. Please note that PandA requires you to use it from your PC (Some functions cannot be used on smartphones, tablets, etc.).

1	**IIMC Website**
